Subject: Contributions of Prithvi Narayan Shah

Dear Friend

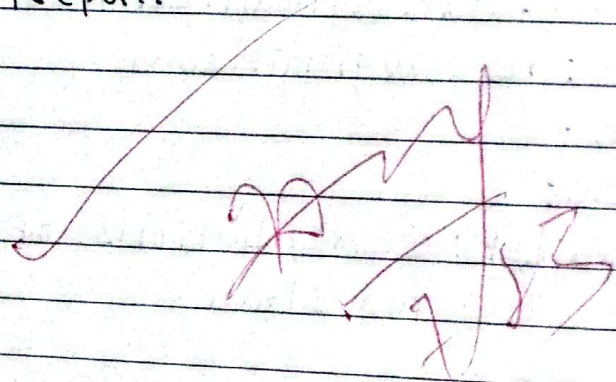

I am writing this email to tell you about the great contributions of Prithvi Narayan Shah in the unification of Nepal.

He was the King of Gorkha and is known as the Father of the Nation. During his time, Nepal was divided into many small states. He fought bravely and united them into one strong country. He also made Kathmandu the capital city of Nepal. He also worked to strengthen the country's defense, improve trade, and protect it from foreign attacks. His famous saying, "Nepal

is a yam between two boulders," shows his wisdom and concern for the country's safety and independence.

Because of his leadership, courage, and vision, we now have a united, strong and independent Nepal.

Your Sincerely
Hari Bahadur
