C. Write a paragraph on any one of the following topics.

a) My School Library
Ans. My School library

My School library is a quite and peaceful place where students come to read and study. It is filled with thousands of books on different subjects like Science, history, literature, and fiction. The library has comfortable chairs and tables, making it easy for students to sit and focus on their studies. There are also magazines, newspapers, and reference materials for those who want to learn more. Our librarian is very helpful and always guides us in finding the right books. I enjoy spending time in the library because it not only improves my knowledge but also develops my habit of reading regularly.
